RENTER (ON ARRIVAL)

As a renter, when you arrive in The Villages, go to a regional SALES OFFICE (not the rec center).

Pay the sales office \$50 for your Lifestyle Temporary Resident ID cards. It's good to laminate these with clear tape.

You will use this 6-digit number to make golf tee time reservations, and you will need to show your cards at most places (pools, rec centers)

If the owners choose to NOT FORFEIT their own IDs, or if you are here for a very short time, you can also get a 30 day "guest" ID.

There are some limitations (see next page), but it still allows you to make a golf reservation at both championship and executive courses in-person or over the phone. However, a guest pass won't work for the online tee time system. You MUST carry photo ID with you when using any amenities,

Types of IDs

As a renter, look at this table. It shows you some of the differences and limitations of a guest pass versus a temporary resident ID card. The largest differences are:

- A temporary resident ID is valid for the length of your rental while a guest pass must be renewed every 30 days.
- The guest pass cannot be used for the sports pools and will not work to make your own golf tee time reservations using the online system.

Activity	Guest Pass	Temporary Resident ID	Notes
Sports Pools	NO	YES	Only residents or those renters with a valid Lifestyle ID can use the sports pools
Adult Pools	YES	YES	Must be over 30 years old. Includes adult guests with Pass or adults with Resident IDs
Family Pools	YES	YES	Guests and Lifestyle IDs of all ages. Guests under 19 must be accompanied by another older guest or Resident ID
Country Club Pools	NO	NO	The pools that are part of the Championship Clubs have their own set of priority memberships at extra cost.
Championship Golf Courses	YES	YES	A guest can play golf on a championship course without being accompanied by a player with Resident ID. Play is subject to a reserved tee time and payment of any associated golf and greens fees. However, a guest cannot “directly” reserve a tee time using either the phone system nor the online tee time system on villages.net
Executive (9-hole) Golf Courses	YES	YES	A guest can play golf on an executive course without being accompanied by a player with Resident ID. Play is subject to a reserved tee time and payment of any associated golf and greens fees. However, a guest cannot “directly” reserve a tee time using either the phone system nor the online tee time system on villages.net
Shuffleboard Courts; Bocce Courts; Pickleball Courts; Tennis Courts; Horseshoe Pits; Basketball Courts; Platform Tennis Courts; Billiards Tables	YES	YES	Guests can freely attend open sports events with the possible exception of pickleball. Each regional and neighborhood recreation center has some or all of these facilities. Each sport has “open” times as well as league play times.
